

Cozy Corner

Cozy Corner is a bricks and mortar quilting store. We opened in October 2005.

We chose to locate our wonderful quilt shop in historic downtown Coleman: one of five communities which make up the Municipality of the Crowsnest Pass, Alberta, Canada. The Crowsnest Pass Museum is located one block away from our store.

Our customers know that they can count on getting friendly and knowledgeable advice at Cozy Corner "a quilter's playground".

We continue to extend our ability to serve our customers world-wide with our website which features secure on-line shopping with 24 hour convenience.

We invite you to join us.

Scheduled Classes

We provide workshops and classes featuring well-known guest instructors each year.

We provide a variety of classes including beginner's classes for new sewers and quilters.

In our fully equipped classroom, you can sew at one of our machines for a nominal fee. You may buy a quilt kit and make it in our classroom or take it with you. The classroom is available on a first come, first serve basis when there are no scheduled classes.

Block of the Month Programs

We offer several Quilt Block of the Month Programs.

Customer Appreciation Program

Our Customer Appreciation Program is one of the best you will ever find. All purchases big or small in our store or on-line accumulate Cozy Corner Gift Certificates (except GST). There is no time limit and you can "Let it Ride" and accumulate more in gift certificates. \$250 = \$25 store gift certificate, \$500 = \$60 store gift certificate and \$1000 in purchases = \$150 store gift certificate. What are you waiting for?
